- **Support**

Tap **Create a Request** to seek support from the school.

The screenshot shows a mobile app interface for creating a support request. At the top, a blue header bar contains the time '14:05', a back arrow, and the title 'Request support'. Below the header, there is a light blue form area. The first field is a dropdown menu labeled 'Request support type:' with a downward arrow icon. Below this is a larger text input field labeled 'Content'. Underneath the text field is a section labeled 'Attach photo here' with a small camera icon. At the bottom of the form is a large orange button labeled 'Send'.
