1. Log in

- After installing and opening the application, the introduction screen will appear, presenting some highlight features.
- Next, the app will redirect to the login screen to authenticate and access the exclusive features.

Account Authentication: Parents input phone number into the login field, an OTP code will be sent to registered phone number. Note this code is valid for only 1 minute.

Input OTP code:

- For Android devices: the OTP code will be detected and filled, then log in automatically.
- For iOS devices: The OTP code will be displayed on the phone's keyboard. Parents need to select the code to complete the login process.
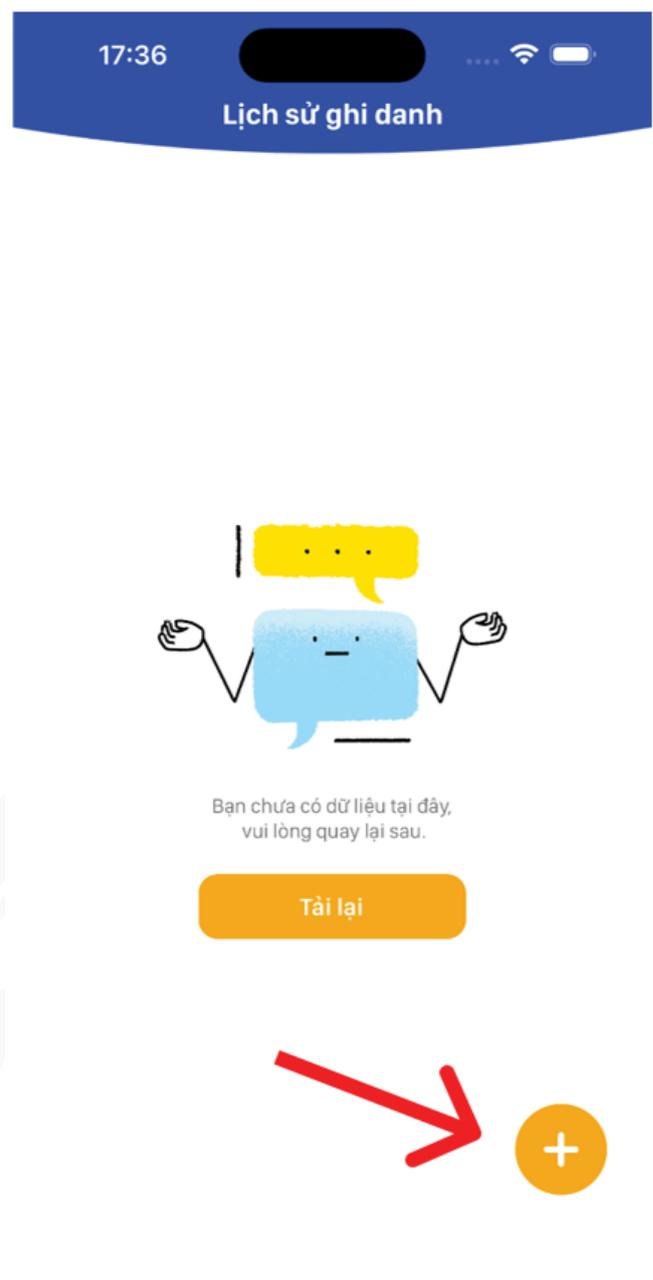

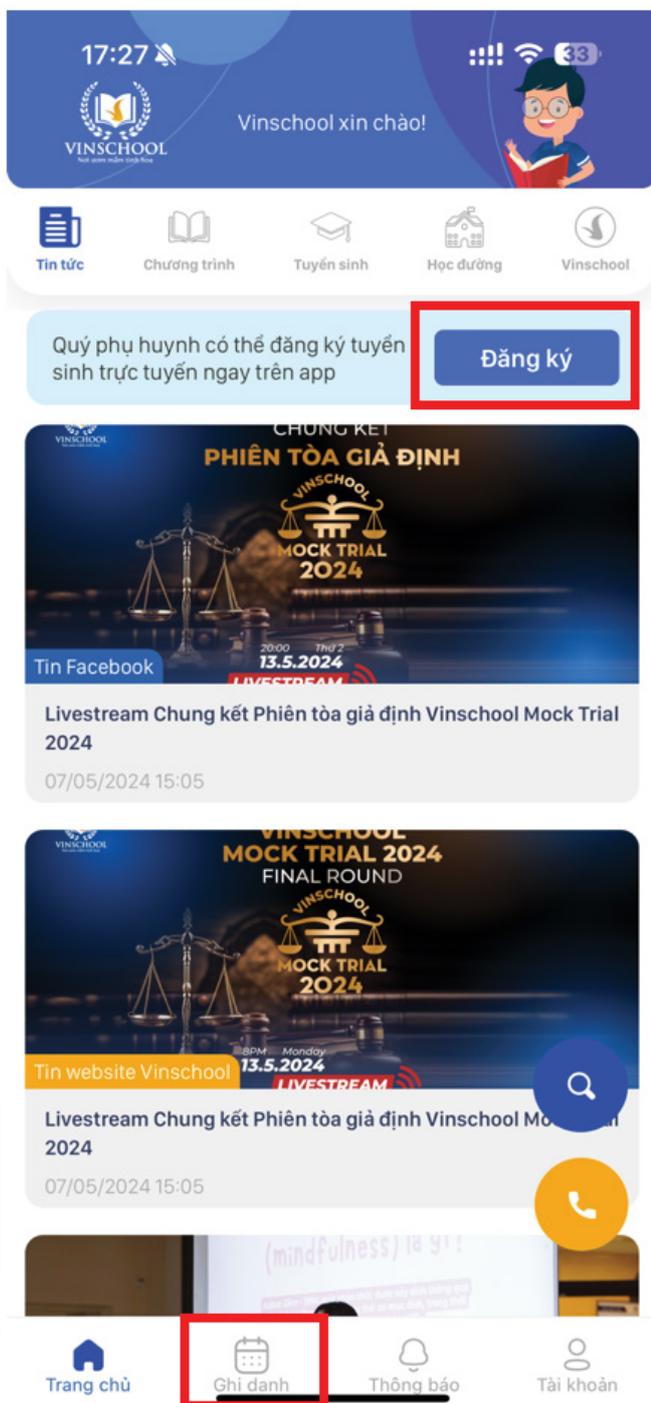

2. Enrollment

After successful Parents' login, the app will redirect to the Homepage.
Parents can click on Enroll or the menu Enrollment to continue.
Navigate to the enrollment history list screen, Parents click icon (+) to submit a new record.

Then enter information following these steps:

Step 1: Parents input all required enrollment information as displayed on the screen.

Step 2:

After the enrollment application is submitted, Parents can track the application status, includes:

- **In Progress:** Application has been submitted.
- **Rejected:** Application does not meet enrollment requirements.
- **Incomplete Application:** Application is missing required information.
- **Cancelled:** Application has been cancelled.

If the student enroll meets the requirement and is accepted, parents can track the enrollment process at Vinschool, which includes below stage:

- Admission > Enrollment > Admission Review > Enrollment Confirmation
- Each stage will require parents to perform certain actions such as submitting the initial enrollment fee, providing student's portrait photos, etc. Parents follow the notifications on the app to complete the process.
